

facilities of the Bloomsbury Birthing Centre—providing a home-from-home philosophy. The Elizabeth Garrett Anderson (EGA) Wing houses antenatal and post-natal beds, high-dependency maternity unit beds, birthing rooms, birthing pools, special care cots, and neonatal intensive care cots. As well as providing care for women with normal pregnancies, the staff also care for women with very complicated, high risk pregnancies and treat some of the sickest and most vulnerable babies in the UK with the most modern equipment and up-to-date and highly trained medical, midwifery, and nursing teams.
