

- **Have a mug of warm milk** with honey or a yogurt before you go to bed.
- **Don't watch TV in bed** for an easier time falling asleep.
- **Avoid having caffeinated drinks** starting in the afternoon and make chamomile tea your bedtime drink instead.
- **Take a bath before bedtime**, and add a few drops of relaxing lavender oil to the bath water. Make sure the water isn't too hot as this can stimulate rather than relax.
