

Let your partner do the majority of the decorating and don't attempt to climb a step ladder yourself. Be aware of which [paints](#) are safe to use during pregnancy.

FOCUS ON PARTNERS

If your partner's nesting instinct has kicked in, make the most of it by figuring out what needs to be done around your home.

- **Decorate the room** your baby will eventually sleep in once you move him out of your bedroom.
- **Take the opportunity** to have a look around and take any unwanted clutter to the dump or charity shop.
