

- Breast pads and nipple cream
- Comfortable loungewear.

For your baby:

- Undershirts
- Footed onesies
- Blanket
- Diapers
- Diaper bags
- Cotton pads
- Diaper cream, such as Desitin
- Baby wipes if you intend to use them.
- Hat and cardigan for going home. Babies lose a lot of heat through their head, so it is a good idea for your baby to wear a hat.

Other useful items:

- A phone or camera for photos and videos
- Music for the delivery room
- Books and magazines
- Massage oil
- [TENS machine](#)
- Washcloths.

Your partner should also get a bag ready (see [Focus on partners](#)) and make sure the car seat is installed properly..

Pack snacks and drinks close to the time, such as nuts, cereal bars, rice cakes, dried fruit, and bottled water.
