Asia

Azerbaijan has been under consecutive Persian, Ottoman, and Russian influence. It was part of the USSR from 1920, until independence in 1991.

The flag dates back to the brief period of Azerbaijani independence between 1918–1920 and replaces the one used in the Soviet era. The white crescent and eight-pointed star were intentionally similar to the emblem on the Turkish flag, as Turkey has traditionally been an ally of the country. The eight points on the

flag’s star stand for the eight groups of Turkic-speaking peoples—the Azeris, Ottomans, Jagatais, Tatars, Kipchaks, Seljuks and Turkomans.

THE NATIONAL ARMS

The coat of arms, adopted in 1993, is set on a round shield in the colors of the flag.
