

William Penn, English Quaker leader and colonialist.

The flag of English pirate Edward Teach, known as Blackbeard, became notorious in the Caribbean between 1717 and his death in 1718.

“...SUCH A FIGURE, THAT IMAGINATION CANNOT FORM AN IDEA OF A FURY FROM HELL, TO LOOK MORE FRIGHTFUL.”

Captain Charles Johnson describing Edward Teach, from *A General History of the Robberies and Murders of the most notorious Pyrates*, 1724

of the southwest Cape's Khoisan. Survivors fleeing inland were killed by neighboring tribes to limit the disease's spread.

In 1713, the **Treaty of Utrecht** was signed; together with the **Treaty of Rastatt** in 1714, it was to **end the War of the Spanish Succession**. Underlying the Utrecht Treaty (actually a series of treaties) was the principle of maintaining the balance of power between France, Spain, and their neighbors, so that no state could dominate Europe. The lines of succession of the two countries were separated, so no Spaniard could claim the French throne, and vice versa. Savoy gained Sicily, Austria received the Spanish Netherlands, and Britain was ceded Newfoundland, Nova Scotia, and Gibraltar. In addition, the **Asiento Agreement** gave Britain a 30-year contract to supply slaves and goods to Spanish colonies.

In Britain, after the death of Queen Anne in 1714, **George I** (1660–1727) became the **first monarch** of the German **House of Hanover** to rule Great Britain and Ireland. The Hanoverian succession in 1714 ended the reign of the House of Stuart, which had ruled Scotland from 1371, and Great Britain and Ireland since 1603.

In 1714, the **Ottomans declared war on the Venetian Republic**. The final conflict between the two powers, the war ended in 1718 with an **Ottoman victory** and Venice's loss of the Peloponnese, its major possession in Greece.

THE STATE OF WAR BETWEEN THE MAJOR EUROPEAN POWERS in the late 17th and early 18th centuries created a profound sense of **lawlessness**. This was most marked in regions where desperate efforts were being made to seize colonial power. With the standing navies at war, some of the work of policing the new colonies fell to **privateers**. For many it was only a short step to becoming outright **pirates**. One of the most notorious, Edward Teach, known as **Blackbeard** (c. 1680–1718), became a target for the authorities after he took charge of his own ship in November 1717. He was finally murdered in November 1718.

In **North America**, the signing of the Treaty of Utrecht (see 1713) had failed to bring an end to the hostilities between the European colonizing powers, and, in turn, these were struggling to dominate competing American Indian tribes. In 1716, in an attempt to block French expansion westward from Louisiana, the **Spanish entered east Texas**; they established

Qing cloisonné
This ornamental elephant with two miniature vases exemplifies the sophistication that cloisonné enamel-work reached during the Qing dynasty period.

“ NO CHINESE CATHOLICS ARE ALLOWED TO WORSHIP ANCESTORS IN THEIR FAMILIAL TEMPLES. ”

Pope Clement XI, Papal bull, 1715

several missions and, in 1718, the town of San Antonio. While the latter became the target of raids by Apache American Indians, the Spanish successfully encouraged the Yamasee and other tribes in their attacks on hundreds of British settlers in South Carolina, a conflict known as the **Yamasee War** (1715–17).

In Asia, **Zunghar Mongols** invaded Outer Mongolia and Tibet in 1717, and **sacked** the Tibetan capital of **Lhasa**, looting the tomb of the fifth Dalai Lama. Tibet appealed to the Qing Kangxi emperor (1654–1722) for assistance. The Zunghars defeated an invading Qing army in 1718, and the Qing Empire was not to liberate Lhasa for three years (see 1720). Meanwhile, in the Chinese homeland, **Jesuit missionaries** found themselves under threat. Impressed by their services, the Kangxi emperor

had ensured their protection with an Edict of Toleration (see 1692). However, in 1715 Pope Clement XI issued a Papal bull condemning Chinese ancestor worship. In retaliation, the Kangxi emperor would repeal his edict in 1721, officially forbidding Christian missions in China.

In Europe, King **Louis XIV** of France **died in 1715**, leaving the infant Louis XV as his heir. Ignoring the terms of the Treaty of Utrecht, King Philip V of Spain claimed the throne of France if the infant were to die. In 1717, a **Triple Alliance** was signed by the Dutch Republic, France, and Great Britain in an effort to compel Philip to abandon his expansionist ambitions. Austria's joining of the alliance in the following year turned this into a Quadruple Alliance against Spain (see 1718–19).

In Britain, the Hanoverian succession (see 1714) had provoked anger among Jacobites—supporters of the deposed Stuart king James VII of Scotland and II of England—and in 1715 this erupted into the **First Jacobite Rebellion**. Overestimating the support they could count on in England, about 4,000

men (mainly Scottish) marched toward London but were defeated in November by Hanoverian forces at the **Battle of Preston**. While his lieutenants countered the threat to his reign in the north, life for Hanoverian king George I in London was seemingly unaffected: there were several performances for the king and members of the court of *Water Music* by the German Baroque composer **George Frideric Handel** (1685–1759), who had made his home in London in 1712.

BAROQUE MUSIC

A style of European music that began around 1600 and lasted until about 1750, baroque developed from the masses and madrigals of the Renaissance. It had a stronger emphasis on counterpoint and rhythm, greater expression of emotion, and gave greater importance to the solo voice and instrumental solos. It also established opera, with Monteverdi and Cavalli being early practitioners. Notable baroque composers include Peri and Allegri (early baroque); Lully, Pachelbel, and Purcell (middle); and Bach, Handel, Telemann, and Vivaldi (late baroque).

BAROQUE LUTE

August 1, 1714 George of Hanover becomes King George I of Britain
March 19, 1715 Pope Clement XI issues Papal bull against Chinese ancestor worship
September 9, 1714 Ottomans declare war on Venice; ends in 1718 with an Ottoman victory

April 15, 1715 Murder of a government delegation triggers Yamasee War, South Carolina

August 27, 1715 Scottish Jacobite leaders rally to march on London

November 9–14, 1715 Hanoverians defeat Jacobites at Battle of Preston

September 1, 1715 French king Louis XIV (known as the “Sun King,” b. 1638) dies

January 27, 1716 Massacre in Tugaloo, Georgia, sets Creek American Indians against the Cherokee in Yamasee War

August 5, 1716 Prince Eugen of Savoy, Imperial commander, defeats Ottomans at Battle of Petrovaradin

February 10, 1716 James Stuart escapes to France after failure of First Jacobite Rebellion
Summer 1716 Spanish reoccupy east Texas after absence of 23 years
January 1, 1717 Britain, France, and Dutch Republic sign Triple Alliance against Spain

July 17, 1717 First performance of Handel's *Water Music* for King George I of England
1717 Zunghar Mongols invade Tibet during ongoing conflict with China

November 1717 English pirate Blackbeard (Edward Teach) begins to operate in the Caribbean
