

Safari puppets

Take your baby on an African safari adventure as you tell him stories using these finger puppet characters. Or how about a pretend trip to the zoo? Use the head template to create your own characters to add to the menagerie.

YOU WILL NEED ✿ tracing paper ✿ marker pen ✿ scissors ✿ pins
✿ scraps of felt in light blue, pink, white, black, dark green, brown, and yellow
✿ needle ✿ matching threads

1 Trace the templates on page 243 onto the tracing paper and cut them out to make the pattern pieces.

2 Pin the pattern pieces to the correct pieces of felt, as indicated on the templates, and cut the felt out. Use the same head pattern piece for all four finger puppets, cutting two head pieces for each puppet.
