

Choose clothing in a variety of colours that remind you of delicious icing.

3 Now fold the vest in half. You should have a strip approximately 5cm (2in) wide.

4 Fold one scratch mitt or sock so its upper edge comes about three-quarters of the way up the folded piece.

5 Now fold the mitt or sock in half widthways and hold it in place so the folds do not come undone.

6 Place the folded mitt or sock on one end of the folded vest strip, with its top sticking out slightly. Start rolling the vest up around the mitt or sock to form the cupcake shape.
