Enlarge on a photocopier to fit your juice carton, approximately 170%

**scallops for the gables and roof bottom edges:** cut enough to fit around the roof of your house in light purple; attach using blanket stitch

**front door:** cut 1 in light purple; attach using blanket stitch along the edges and running stitch on the door face

use chain stitch around the front door with French knots in the centre of the lazy daisies

**flower pots:** cut 2 in light brown; attach using flat fell stitch

**scallops for the roof ridge:** cut 1 in light purple; attach to the roof ridge carefully, trying not to stitch right through the felt

**roof:** cut 2 in dark purple from your template; decorate with running stitch in contrast colour for roof tiles

**base:** cut 1 in light blue from your template

**front and back:** cut 2 in light blue from your template

**sides:** cut 2 in light blue from your template
