

## BIOGRAPHY

**HWANG JIN-YI**

Born around 1506, renowned entertainer Hwang Jin-Yi is one of Korea's most famous *gisaeng*. Celebrated for her outstanding beauty, intellect, wit, and strong character, she composed verse and wrote music for the zither. Her poetry comments on the beauty of the landscapes she encountered, and her own lost loves. She continues to inspire writers and filmmakers today, with popular and award-winning literature, film, and television shows telling her story.

◀ **Dressed for work**

As entertainers, *gisaeng* were expected to be beautiful and accomplished for their owners to show off to government officials and their guests. They are shown here getting ready.
